

St. Vincent's Closet needs YOU!

This outreach ministry here at St. Philip Neri has been operating for 15 Years. St. Vincent's Closet continues to assist local families with school uniforms, seasonal clothing for children and adults, formal dresses, household items, children's toys, books, etc.

The sell of these items allocates funds to help those in need in our local area with prescriptions, utilities, rent, food, and funding for emergencies, which resulted in spending \$19,489.00 last year for 2015.

St. Vincent's Closet is a huge success in our area due to the fantastic volunteers and the generosity of donated goods by families of Allen Parish.
